

## **CALIFORNIA PROPOSITION 65 WARNING**

The following information is intended for any party who has purchased or who plans to purchase eyewear frames and/or lenses ("Eyewear Products") directly or indirectly from a VSP Global company. The purpose of this communication is to provide your business with a warning and warning materials regarding the Eyewear Products under California's Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.5 et seq., commonly referred to as "Proposition 65" ("Prop 65").

California's Office of Environmental Health Hazard Assessment (OEHHA) is tasked with administering Prop 65 and publishes a list of chemicals requiring warnings on their website. See [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov) For products sold in California and individuals in the state of California who handle or use products in the workplace, as explained by OEHHA, businesses are required to provide a "clear and reasonable" warning before knowingly and intentionally exposing anyone to a listed chemical. This warning can be given by a variety of means, such as by labeling a consumer product or posting signs.<sup>1</sup> (See Note 1 below).

Therefore, because your business sells, or has workers who may otherwise come into contact with, Eyewear Products that contain one or more of the chemicals identified on the Proposition 65 list of over 900 chemicals (which includes BPA and nickel), we are providing your business with the following "clear and reasonable" Proposition 65 warnings:

### **For Frame and Lens**

WARNING: This product can expose you to chemicals including nickel, which is known to the State of California to cause cancer, and Bisphenol-A, which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

### **For Lens Only**

WARNING: This product can expose you to chemicals including Bisphenol-A, which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

In addition, these warnings may also appear on other paperwork your business receives from a VSP Global company in connection with our Eyewear Products, such as on invoices or on polybags.
